**CITATION**

Investigation of a recently submitted complaint has revealed actions taken by you which violate sections of the law regulating the practice of physical therapy.

On January 9, 2003 the Physical Therapy Board of California (PTBC), Consumer Protection Services (CPS), received a complaint regarding Patient A and on April 1, 2003, an expert consultant was asked to review the case. The information obtained determined that on or about March 26, 2003 through July 24, 2003 at S.T.A.R. Physical Therapy in Redwood City, California, Patient A received physical therapy care by you, Richard A. Eagleston, P.T., and Howard Lieberman, P.T.A. The review of the 41 daily notes lacked evidence of a weekly conference with, or cosignature of a supervising physical therapist.

This is a violation of supervision requirements contained in section 1398.44 of the Physical Therapy regulations.

The Citation issued to you in accordance with Section 125.9 of the Business and Professions Code for the violations described below.
